

## Pat Wys Class Opportunities

Pat Wys ( <http://www.silverthimblequilt.com/> ) doing our program for the March 31st meeting in Morgan City, LA and will be driving from Atlanta to Morgan City. She is holding the week open before and after the 31st for classes. Basically we are hosting a traveling class/workshop with Pat. What this means is that your guild will have an opportunity to host a class by Pat on her way to or from Morgan City. GSQA is paying all of her transportation costs. You would only be paying her workshop fee, one hotel night, along with her food during her time with you. I am working with Pat to coordinate the class schedule.

Please contact me for more information and please visit Pat's website to see what great workshops she has to offer.

GSQA is happy to bring you this great opportunity for your guild to have a wonderful class with Pat!
